

VM STAND 180

The VM Stand 180 is a freestanding display solution and features the VM Two Clip in A2 size. The hybrid mounting system enables the frame to be positioned in either landscape or portrait orientations and with an additional facility to adjust the viewing angle from 0 – 180 degree tilt, this stand creates instantly impactful and engaging displays.

KEY FEATURES

ROTATE AND TILT THE FRAME

Clever in its construction, the stand's display frame can be positioned by hand in either landscape or portrait orientations and for added design freedom, the frame itself can be tilted to a preferred viewing angle of 0-180 degrees.

A CUSTOMISABLE SOLUTION

The VM Stand 180 offers the option to personalise the unit by customising the stand's column with your company name or logo, helping to further reflect and strengthen your brand.

OVERVIEW

- The frame can be positioned in landscape or portrait orientations
- Its hybrid construction enables frames to be angled from 0 – 180 degree tilt
- Compatible with VM Two Clip in A2 size
- Facility to customise the column with company branding
- Supplied with a two year warranty

ANGLE BETWEEN 0 - 180 DEGREES

USE LANDSCAPE OR PORTRAIT

TILT FRAME BY HAND

To tilt the VM Two Clip A2 frame to a preferred viewing angle, lightly unscrew the wing nut, position frame in the desired position and tighten the wing nut to secure the frame in place.

NO TOOLS REQUIRED FOR FRAME POSITIONING

Simply pivot the frame by hand in a clockwise motion to position in either landscape or portrait orientations and rotate as desired for display requirements.
